Master the Basics!

We are continuing our emphasis on FamilySearch FamilyTree basics by offering five basic classes held mornings, afternoons and evenings. You can take these classes separately, but we recommend taking them all. The classes will be held on alternate weeks starting the week of April 16. Because summer is beginning, classes FT3, FT4 & FT5 will be taught together in one abbreviated session.

10 am Tues – Lybbert
7 pm Tues – Hopper
3 pm Thurs – Tripp

FT1: Overview

Learn to navigate menus and screens.

FT2: Sources

Find and attach sources by using the Record Hints and the FS/FT Search function.

FT3: Merging

Find and merge duplicate names and learn when NOT to merge.

FT4: Temple Names

Use the Descendancy view to discover temple names.

FT5: Fixing Problems

Add people to your tree and modify incorrect relationships.
