

LDS Databases

<http://www.earlylds.com/>

1. Enter ancestor's name
2. If your ancestor is found, you can click on all underlined names and it will take you to their information.
3. Click on spy glass at end of locations and it will take you to a list of individuals that lived in that location.
4. Map - click on number of event and it will take you to the address where the event occurred - click on the number on the map and it will show you a picture of the place the event took place.
5. Notes tell you the information found for individual.
6. Sources tell you where the information was found. Click on the number at the beginning of each source and it will give you an alphabetized list of other individuals at the source. You can click on the names listed for information concerning them.
7. Click on ancestors and you will see a family tree or pedigree.
8. Descendants gives generations down from individual.
9. Timeline shows the individual's life line compared to church history timeline up to the evacuation from Nauvoo.
10. Click on cemeteries - shows you a map of cemeteries along the trail west. Click on Winter Quarters Cemetery and it gives a list of individuals that died and were buried there. If you click on the individual's name, it will give a group sheet with information.

Writings

You can only access this site at our Midvale Union Fort Multi-Stake Family History Center. Double click CD Databases folder on the desk top. Click on Writings. It will open to an alphabetized list of individuals. Enter the first letter of a surname. Select his/her name and you can read the entry.
