

**Midvale Utah Union Fort  
Family History Center  
Spring 2017  
Class Schedule**

Call (801) 569-1621  
to sign up for classes

**CLASSES STARTING  
IN APRIL 2017**

• **Fixing Problems In FamilyTree**

Are you stumped? Bring your problems to class and we'll show you how to fix them! Everything from your great-grandfather having 6 wives with the same name to determining who belongs in which family. Also learn how to prepare & submit a successful application to waive the 110-year rule. Prerequisite: A working knowledge of FamilySearch Tree or completing our class "Getting Started With Family Tree." (2-week course)

Mon, Apr 17 & 24, 10-11:30 am  
OR Thurs, Apr 6 & 13, 6-7:30 pm  
Cindy Lybbert

• **Writing Your Family History**

Learn new principles to apply in your writing project, whether it's your own history or that of a close relative. Limited to 5 students (8-week course)

Friday, Apr 7 thru May 26, 2:30-3:30 pm  
Ruby & Larry Klenk

• **Introduction to Computers**

If you don't know what a "web browser" is or how to "open a new window," this class is for you. Learn the basics of using a computer before taking some of our other computer-based classes.

Tues, Apr 18, 10-11:30 am  
Bob Davis

**Call & Ask for a Consultation!**

Make an appoint with one of our consultants  
on a one-on-one basis! (801) 569-1621

• **Getting Started With FamilyTree**

Learn to navigate FamilySearch by working on your own tree. Add & edit information, learn about person and couples' pages, and more. Prerequisite: A working knowledge of computers or our "Introduction To Computers" class. (3-week course)

Wed, Apr 12, 19 & 26, 12:30-2 pm  
Alice Neff

• **History Lines** Learn about a fun subscription website that interacts with FamilySearch to write a basic story about your ancestor(s) using an interactive map and timeline. You can add your own photos & stories or just use the website's event photos and descriptions of lifestyle & culture of the time period. The teacher will give you a discount code to use if you should decide to purchase a subscription yourself.

Thurs, Apr 27, 7-8:30 pm  
Bob Pace

• **Low-Hanging Fruit: Finding Your Cousins Quickly & Easily**

Descendancy research is for those who think their family history is "done." Learn a new method to find "low-hanging fruit" (cousins waiting to have their work done) by using Hope Chest & Relative Finder and FamilySearch.

Thurs, Apr 13, 7-8:30 pm  
Marshall Tapp

• **How To Upload Histories, Biographies & Documents**

Learn to upload stories and documents to FamilyTree Memories & then link them to your ancestors as Sources too. Find out how to use Optical Character Recognition (OCR) software to transform a scanned document into editable text.

Tues, Apr 18, 7-8:30 pm  
Jillaine Hadfield

• **Beginning Indexing** Learn about the vital role that indexing plays in redeeming the dead & how you can participate in that process.

Thurs, Apr 20, 7-8:30 pm  
Maxine Davidson

**CLASSES STARTING  
IN MAY 2017**

• **Uploading & Annotating Photos in Family Tree**

Learn how to accurately upload and annotate your family photos in Family Tree. Prerequisite: A working knowledge of Family Tree or completing our class "Getting Started With Family Tree."

Tues, May 2, 7-8:30 pm  
Jillaine Hadfield

• **History Lines** Learn about a fun subscription website that interacts with FamilySearch to write a basic story about your ancestor(s) using an interactive map and timeline. You can add your own photos & stories or just use the website's event photos and descriptions of lifestyle & culture of the time period. The teacher will give you a discount code to use if you should decide to purchase a subscription yourself.

Wed, May 3, 2-3:30 pm  
Bob Pace

• **Fixing Problems In FamilyTree**

Are you stumped? Bring your problems and we'll show you how to fix them! Everything from your great-grandfather having 6 wives with the same name to determining who belongs in which family. Also learn how to prepare & submit a successful application to waive the 110-year rule. Prerequisite: A working knowledge of FamilySearch Tree or completing our class "Getting Started With Family Tree." (2-week course)

Thurs, May 4 & 11, 6-7:30 pm  
OR Monday, May 15 & 22, 10-11:30 am  
Cindy Lybbert

• **Getting Started With FamilyTree**

Learn to navigate FamilySearch by working on your own tree. Add & edit information, learn about person and couples' pages, and more. Prerequisite: A working knowledge of computers or our "Introduction To Computers" class. (3-week course)

Wednesday, May 10, 17 & 24 12:30-2 pm  
Alice Neff

• **Introduction to Computers**

If you don't know what a "web browser is," how to "open a new window" or use a "flash drive," this class is for you. Learn the basics of using a computer before taking some of our other computer-based classes.

Tues, May 16, 10-11:30 am  
Bob Davis

• **Using Facebook for Family History**

Learn how to use Facebook as a tool for connecting and collaborating with other researchers, as well as to stay up-to-date on your special interests within family history.

Tues, May 16, 7-8:30  
Danielle West

• **Beginning Indexing** Learn about the vital role that indexing plays in redeeming the dead & how you can participate in that process.

Thurs, May 18 7-8:30 pm  
Maxine Davidson

• **Low-Hanging Fruit: Finding Your Cousins Quickly & Easily**

Descendancy research is for those who think their family history is "done." Learn a new method to find "low-hanging fruit" (cousins waiting to have their work done) by using Hope Chest & Relative Finder and FamilySearch.

Thurs, May 25, 7-8:30 pm  
Marshall Tapp
